Dear [Recipient Name],

Are you looking for a Full-Stack Web & Flutter Developer with:

- Hands-on experience building responsive and scalable web and mobile applications using React.js, Flutter, Tailwind CSS, and Firebase?
- Knowledge of the latest technologies in Web and Mobile Development?
- Excellent written and oral communication skills, with a focus on clean, maintainable code?
- A passion to learn continuously and grew technical expertise?

If so, then you need look no further. You will see from my enclosed resume that I meet all of these qualifications and more. My projects, including my **Personal Portfolio Website** and **Spray Center Website**, demonstrate my ability to deliver real-world solutions, integrate APIs, manage application state, and implement secure authentication system.

I would very mush like to discuss opportunities with **[Company Name].** To schedule an interview, please call me at +92 3095657677. The best time to reach me is between 10:00 Am and 6:00 PM, but you can leave a voice message at any time, and I will return your call.

Thank you for taking the time to review my resume. I look forward to talking with you.

Sincerely,

Farhan Riaz
